48:16 Minutes

"Sometimes believing takes a while and there's something going on at the time that it's occurring that we may not see immediately."

"There are times, many times when God will give you information like in Noah's life and He just gives it to you trusting you to hold onto it until the time comes for it to bear fruit, to be seen."

"When you believe God's Word something happens in the spiritual realm."

"Make this point in your life from here on out the best years of your life."
